Conversation: Dog in need of home

For those of you who have received my emails about Buddy, the dog I found under the Expressway, I just wanted to send this special email out regarding the Brooklyn Animal Foster Network.

In the entire city (and a few places outside the city), they are the only non-kill network that has offered me any help in placing this dog. They are getting him neutered and making sure that he gets his rabies shots. Had they not helped me, I would have had no alternative, but to send Buddy to Animal Control who would have put him down within 48 hours if he wasn't adopted.

I know many of you are animal lovers. The Brooklyn Animal Foster Network receives no public funding. Their 501c is pending. If you are donating this holiday season, please send 5, 10 or 20 dollars to this network. They are doing such special work and without them, sweet dogs like Buddy would be destroyed.

Donations can be mailed to:

The Brooklyn Animal Foster Network
11 Montgomery Place
Brooklyn, NY

P.S. Buddy is still looking for a home. If you know of anyone who would be interested in adopting, please forward his pictures to them. You can find Buddy's picture at: <http://www.flickr.com/photos/benjaminwadejones/sets/1459079/> <javascript:ol('http://www.flickr.com/photos/benjaminwadejones/sets/1459079/');> or go to the Brooklyn Animal Foster Network site at: www.BrooklynAnimalFosterNetwork.org <http://

Thank you so much.
